

Please note this is only an example timetable of what you will cover in one of our live **InterviewReady Comprehensive** courses. There are two days - the first day runs from 10 am – 5 pm, with a 1 hour lunch break. The second day, held a week later, will be a formal mock interview session, where you will rotate between *8 individual stations*, and receive personalised feedback from our tutors at each station. This provides an interview experience closest to what you will get at the actual interview.
